### Legislative Elections 108—127 Presidential Elections 128—135

#### ES: Electoral System 2006

AV:	Alternative Vote
BV:	Block Vote
FPTP:	First Past The Post
MMP:	Mixed Member Proportional
Modified BC:	Modified Borda Count
(List) PR:	List Proportional Representation
SNTV:	Single Non-Transferable Vote
STV:	Single Transferable Vote
TRS:	Two-Round System

These tables include the total votes cast and the total registered electorate for all elections for which any data is available for the lower house of the legislature, and all elections for which any data is available for directly elected presidents, whether or not head of the executive.

Where a limited number of electoral districts were not contested, data relates to those districts where contests took place.

In two round electoral systems, data relates to the second round.

In mixed or multiple tier electoral systems where voters cast more than one ballot, the highest number of votes cast in any section or tier is recorded.
