

## ■ EDITORIAL

### Creating a level playing field for women in politics

International Women's Day reminds me every year that there is no shortage of international and national commitments to gender equality and women's political participation. Yet until we move beyond paying lip service to these principles, real progress will remain elusive.

### Making democracy deliver on women's empowerment

Posted: March 8, 2012

For International IDEA, women's empowerment is essential for democracy building and therefore, the question is: is democracy delivering on women's empowerment?

### Political parties' commitment to gender equality

Posted: March 7, 2012

"We know that women are woefully underrepresented in democratic politics, in parliaments, executives, judiciaries, media and in political parties," said Vidar Helgesen at a roundtable on the commitment of political parties to gender equality, a side event of the 56th Session of the UN Commission on Status of Women, in New York.
