| MyatMyat Mon                                                   | Myanmar Constitution Centre - Myanmar Constitution             | 7.264,00                         | 6.035,00  | 1.229,00     | 14.08.2017           | 31.01.2017 | Restricted                | A recruitment process took place to hire a Programme Officer but was unsuccessful and so had to be re-advertised. Due to this delay it was necessary to hire an interim consultant urgently to fill the gap. Hence a Direct Award was granted in this case.                                                                                                                                                                                      | Regional Office - Asia & Pacific |
| Ranya Derose Lafond                                            | Support for Democratic Consolidation in Haiti                  | 6.714,00                         | 6.714,00  | 0,00         | 14.08.2017           | 13.12.2017 | Restricted                | The consultant had two previous contracts with International IDEA in the previous 12 months. The cumulative value of this and previous contracts takes the service provider over the normally required competitive threshold. However given that the services are for follow up work related to the previous services, it is considered more effective to grant a Direct Award.                                                                  | Haiti Office                     |
| Red Sea Tours                                                  | Support to the Yemeni Peace Process - Constitutional Dialogues | No value as a Framework Contract | 0,00      | 0,00         | 01.09.2017           | 31.08.2018 | Restricted                | The grant for this project was received in April 2017 and involves carrying out a number of workshops in a short timeframe. The requirement for a reliable travel agent was urgent and because of timing it was not possible to carry out a full competitive process. It was therefore considered more effective to engage the travel agent used previously by the Cairo Office due to their reliability and experience and grant a Direct Award | Tunis Office - AWA               |
| Cheryl Saunders                                                | Myanmar Constitution Centre - Myanmar Constitution             | 15.213,00                        | 10.000,00 | 5.213,00     | 04.09.2017           | 10.10.2017 | Restricted                | The consultant had two previous contracts with International IDEA in the previous 12 months. The cumulative value of this and previous contracts takes the service provider over the normally required competitive threshold. However given that the services required now relate to the previous ones it is considered more effective to award the consultant a Direct Award.                                                                   | Regional Office - Asia & Pacific |
