

INTERNATIONAL INSTITUTE FOR DEMOCRACY AND ELECTORAL ASSISTANCE

EXPRESSION OF INTEREST (EOI) – EOI 258-19-22

To engage experts on thematic areas of work related to Article 49 of the Tunisian constitution under Framework Contracts

The International Institute for Democracy and Electoral Assistance (International IDEA) is an intergovernmental organization established in 1995, with member states across all continents, which aims to support sustainable democracy world-wide and assist in the development of institutions and the culture of democracy. At the interface between research, fieldwork and the donor community, International IDEA provides a forum for dialogue, builds networks of experts, develops training materials and provides strategic advice at the international, regional and national level, cooperating with a range of organizations.

International IDEA has been providing support to Tunisia's constitutional process since 2011. Since the 2014 constitution entered into force, International IDEA has been focusing much of its efforts to assist Tunisia's state institutions, legal profession and civil society to implement Article 49, and in particular to bring their practices into line with the principle of proportionality, which is provided for under Article 49. Starting in March 2019, International IDEA will be intensifying its efforts in that regard, in particular by implementing a two year project that is specifically dedicated to promoting a deeper awareness of how the 2014 Constitution in general and Article 49 in particular change the framework for the protection of fundamental rights.

International IDEA now invites qualified technical experts to submit an Expression of Interest in providing consultancy services for the work outlined in the attached Terms of Reference (TOR). Full details of the typical services and the requirements are provided in the TOR which is available at: <https://www.idea.int/about-us/procurement-and-tenders>.
